b) By acceptance of this order, Seller agrees to be bound by, and to comply with all the terms and conditions of this order, including any supplements thereto, and all specifications and other documents referred to in this order. However, performance of the work called for by this order in the absence of Seller's written acknowledgment thereof shall be deemed acceptance of this order. THE LEGAL PURPOSE OF THIS PURCHASE ORDER DOCUMENTATION OF THE CONTRACT SHALL NOT BE VITIATED OR NULLIFIED BY ANY STATEMENTS IN ANY OF SELLER'S DOCUMENTS.
(c) This order does not constitute an acceptance by Purchaser of any offer to sell, any quotation, or any proposal. Reference in this order to any such offer to sell, quotation, or proposal shall in no way constitute a modification of any of the terms and conditions of this order. This purchase order is effective and expressly conditional on suppliers' assent to all terms and conditions on this purchase order that are additional to or different from those stated in supplier's quotation or other offering documents. AN ATTEMPTED ACKNOWLEDGMENT OF THIS ORDER AND/OR TEXT ON INVOICES CONTAINING DIFFERENT OR ADDITIONAL TERMS AND CONDITIONS INCONSISTENT WITH THE TERMS AND CONDITIONS OF THIS ORDER ARE NOT BINDING UPON PURCHASER UNLESS SPECIFICALLY ACCEPTED BY PURCHASER IN WRITING AND PURCHASER HEREBY OBJECTS THERETO.

2. Payment of partial deliveries will be made only after the total order is delivered. Purchaser may with written notice of default to Seller (a) terminate the whole or any part of this order in any one of the following circumstances: (i) if Seller fails to perform within the time specified herein or any extension thereof, or (ii) if Seller fails to perform any of the other provisions of this order, or so fails to make progress as to endanger performance of this order in accordance with its terms, and in either of these two circumstances does not cure such failure within a period of ten (10) days or such longer period as Purchaser may authorize in writing after receipt of notice from Purchaser specifying such failure; (b) upon such termination Purchaser may procure, upon such terms as it shall deem appropriate supplies or services similar to those so terminated, in which case Seller shall continue performance of this order to the extent not terminated and shall be liable to Purchaser for any excess costs for such similar supplies or services. As an alternate remedy, and in lieu of termination for default, Purchaser, at its sole discretion, may elect (1) to extend the delivery schedule and/or (2) to waive other deficiencies in Seller's performance, in which case an equitable reduction in the Purchase Order price shall be negotiated, in the event Seller for any reason anticipates difficulty in complying with the required delivery date, or in meeting any of the other requirements of this order, Seller shall promptly notify Purchaser in writing. If Seller does not comply with Purchaser's delivery schedule, purchaser may require delivery by fastest way and charges resulting from the premium transportation must be fully prepaid and absorbed by the Seller. The rights and remedies of the purchaser provided in this clause shall not be excluded and are in addition to any other rights and remedies provided by law or under this Purchase Order. NOTE: The term "TIME IS OF THE ESSENCE" may appear on the front of this order and Seller understands that late delivery is a severe default/breach of contract. (Important also see Termination, Section 13)

Any claim by the Seller for adjustment under this clause must be asserted within thirty (30) days from the date of receipt by the Seller of the notification of change; provided, however, that the Purchaser, if he so chooses, may receive, and act upon any such claim asserted at any time prior to final payment under this contract.
